

Effective immediately upon receipt of the FSC 2/1/10 update the Multi-State/American Reliable rates will no longer be available.

American Reliable will still be offering their very competitive products in California and you may still quote the Multi-State/American Reliable products using the "ARIC WEB RATER."

For producers who are not familiar with this rating platform please contact our property department at:
(661)977-9749
Ext 108 Cristina Luevano or Ext 123 Marilyn Porras

Thanks again for all your support! Please remember that communication is an important ingredient to success, do not hesitate to contact us with any questions, concerns or comments at the following e-mails:
