

Automatic Binding Restriction Notice – Property Programs

All authority to write a policy is automatically suspended during times of an impending disaster and during times of disaster. Authority is also automatically suspended at the time of a disaster that occurs without prior warning such as riot, civil commotion, brush/forest fires or earthquake.

After an earthquake of 5.0 or greater magnitude, do not write or increase any homeowners or dwelling coverage to be effective within 30 days after the earthquake at any location within a 100 mile radius of the earthquake epicenter. The suspension applies to all transactions, including new business, reinstatements, increased coverage and additional coverage.
